HOLIDAYS HOMEWORK CLASS III

Dear Enthusiastic Nischalites !

WOW! Summer Break is here!!!

Let's cheer for the 3R's- Rejuvenation, Relaxation and Rebonding

Let's Practice the 3P's-Practice, Polish and Perfect our Concepts

As the summer sun beckons and vacations begin, we want to ensure that the learning journey continues beyond the classroom. Here's your passport to an enriching and enjoyable break: **your summer vacation homework!** Discovered, explored, and created with a blend of fun and learning. From reading adventures to mathematical explorations, and creative projects, there's something for every explorer. Let your imagination take flight as you delve into the exciting activities designed to spark curiosity and foster creativity. Unleash your inner scientist, artist, or historian the possibilities are endless!

Remember, learning knows no boundaries. So, whether you're travelling to far - off lands or exploring the wonders of your own backyard, carry your curiosity with you and let it guide your summer adventures.

Your holidays homework is designed to spark your imagination and foster innovation, while also helping you revise for the upcoming term and bridge any learning gaps from the previous years.

Take a breath, have fun, and return refreshed and be ready to conquer the world.

Dear Supportive Parent

Let's make these holidays special, gear up and utilize your time in the best possible manner. Go ahead with some unique fun activities with your kids.

1) **Health, Hygiene & Morning Grace-** "A healthy mind resides in a healthy body." You and your little one can spend some quality time in outdoor activities to keep yourself fit and healthy. Encourage your child to take care of personal hygiene. Encourage him/her to wish all elders in the morning.

2) **Verbal Proficiency Enhancement-** It's the perfect time to enhance your kiddos' speaking skills and vocabulary by conversing in English with their families and siblings.

3) **Social and Emotional Connections** -Share your own childhood experiences, create a safe and trusting environment and encourage open communication.

4)- **Family Time and Pursue a Hobby-** Utilize this golden period with rekindle family ties and make the most of your time together. Help your child utilize time in doing things they always wanted to do like playing any musical instrument, painting, singing etc.

5) **Read Widely, Think Deeply-** Reading is essential for those who seek to rise above the ordinary. Encourage your child for reading purposeful books and newspaper. Discuss about the latest happenings around the world with your little one.

6) **Promote Life Skills-**Make your child more independent, by teaching him/her various activities like: buttoning shirt, tying shoe laces, packing school bag, keeping belongings back in place, laying the table for dinner, arranging shoes in the shoe rack, filling the water bottles, switching off lights and fans when not in use.

7) **Eco Friendly Practices-** Plant a sapling on your Birthdays and Anniversaries. Plan an Eco friendly birthday this year. Distribute some gifts to the needy.

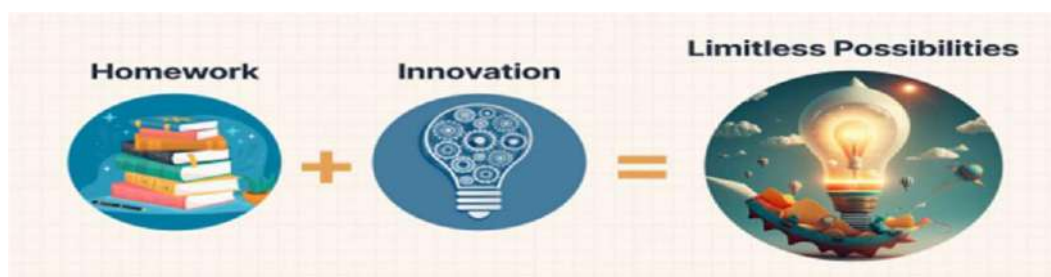

The objective of holidays homework is to empower our students to work independently and enhance their academic abilities.

Please take note:

- Prepare a systematic timetable and follow it religiously from the very first day.
- Allow them to complete their homework on their own under your guidance.
- Neatness and presentation are common parameters for most of the activities assigned. Please maintain the quality of work done.
- Encourage your child to devote some time each day to writing one page of English and Hindi in a separate notebook to enhance their handwriting skills.
- Revise all the work done in the class till date.

Assemble Your Masterpiece

Remember to capture the moments while engaging in given activities and paste the corresponding pictures in a portfolio folder with your name and pic on it to showcase your creativity.

We wish you all a very rejuvenating vacation!

Enjoy, Enrich and Empower!!!

Days to Remember

World Environment Day

5 June

Creating DIY bird feeders is a great way to teach kids about wildlife and the importance of feeding and protecting birds. Use recycled materials like plastic bottles, milk cartons, or pine cones. Fill them with birdseed and hang them in your garden or balcony. This **Eco-Friendly Environment** activity promotes creativity and helps kids connect with nature.

FATHER'S DAY

15th June

FATHER- A son's first HERO, a daughter's first LOVE!

Celebrate a memorable Father's Day by showing your dad how cherished he is! Spend quality time together, express gratitude, and share your love with a warm hug. As an extra special touch, craft a personalized keychain using paint chips, washi tape, and a key ring. Select his favourite colours or his beloved sports team to make it unique. Each time he reaches for his keys, it'll serve as a sweet reminder of your love and thoughtfulness.

NATIONAL READING DAY

LIFE SKILL ACTIVITIES (Class 3)

Vacations not only give you a chance to relax and bond with your kids, but they also provide an opportunity for your children to learn valuable life skills and lessons that will serve them well for years to come.

Here are few suggested activities which may be already in practice with many, however we could use this time to re-emphasize the values and skills of greater significance in life.

WEEK - 1

NATURE WALK	NURTURE INDEPENDENCE	SIP AND SPARKLE	MY LEARNING WALL	NIGHT UNDER THE STARS
Gardening is a great life skill to nurture from a young age. Visit a botanical garden or a nursery near your house. Take pics of different types of plants and make a presentable collage.	Ask your child to make their bed. Also, you can teach them to make their own milk and breakfast or clear their cupboards.	Create a refreshing drink masterpiece! Write down ingredients and recipe on a A4 sheet ,then share with family and friends! Click pics and spread the fun! Get creative and enjoy! Let your imagination fizz over! Share your sparkling creation with loved ones.	Create an educational display based on your syllabus to adorn your classroom. Choose a topic/subject and design an engaging visual showcase to enhance learning and spark curiosity. Get creative and make it informative!	Spend the night under the stars in garden or in your balcony. This will allow you to talk about stars and teach them about some constellations. Enjoy this night and share your experience.

WEEK 2

MANAGE TIME	FEATHERED ACITIVITY	SHAPES PUTTING TOGETHER	JOYFUL DONATION DRIVE	STAY COOL AND HAVE FUN
Plan your day, prioritize tasks, and manage time effectively! Create a schedule that balances schoolwork, activities, and relaxation. Share your schedule on an A4 sheet and track your progress! Learn to tame your time and achieve your goals!	Make a nest for birds using waste material like (wool, thread, twigs, cotton etc. Hang it in a nearby park and click the pics.	Make your dream house using different shapes with cardboard and decorate it.	Spread joy this holiday season! Visit an orphanage, spend the day with kids, and donate gently used toys & books. Share laughter, stories, and smiles. Make their day brighter! Click pictures and preserve the memories in a folder.	Summer is here, and that means it's time for cool, sweet treats! Whether it's ice cream, popsicles, fruity slushies, or a yummy watermelon slice, there's a summer dessert for everyone. Don't forget to share with your friends and enjoy every bite under the sunny sky.
